

## SLIM FRAME

**Combines sleek design, sophisticated color with SEG Fabric Graphics that change-out in seconds.**

- The most economical frame choice stocked in silver finish with powder coating available for custom color frames.
- Permanent or semi-permanent wall mounting. Easy assembly - 90° steel corner brackets, just 2 fasteners per corner.
- Can be executed as a direct to wall install up to 120"x600" or a removeable wall frame with hanging hardware up to 96"x96". Not recommended for sizes under 12"x12."

**When emphasis is purely for storytelling graphics with the slimmest of frames 19mm depth.**
