

MAXIMUM CREATIVE FREEDOM. FLEXIBLE DESIGN APPLICATION. EASY SCALABILITY.

THE MOSS RENTAL CREATION KIT™ is a unique system approach that includes scores of available CAD files, allowing a seamless combination of value and versatility.

Using the Rental Creation Kit, designers have complete control.

- Freedom to create and design a flexible rental solution
- Purpose-built solutions that can be scaled to meet business needs
- Based on Construct 80™, Construct 120™ and EZ Fabric Wall System®
- Enhance the design with additional Moss solutions such as Radiance™ lightboxes, Classic™ Shapes and more

The Rental Creation Kit is the only tool that allows such unrivaled flexibility, enabling designers to make their design vision a reality with an affordable rental solution.
