GET TO KNOW OUR TWO NEWEST INDOOR PROJECTION RENTAL PRODUCTS

Moss indoor panels and signs are perfect as front projection surfaces or used as branded backdrops and room dividers.

BLOCKOUT STRETCH FABRIC

Widely trusted by AV professionals, our Blockout Stretch Fabric is engineered for large-scale borderless projection and delivers superior performance.

STRONG FRONT PROJECTION RESULTS

Constructed with an optic white matte surface bonded with a white rubberized backing, our Blockout Stretch Fabric delivers a fully opaque finish that blocks light interference and provides outstanding projection results.

IMAGE QUALITY

Achieve optimal brightness and image quality with an FP gain of 1.18.

WRINKLE-FREE PERFORMANCE

The fabric has just a bit of stretch, so all wrinkles disappear when installed, even persistent wrinkles from folding.
